

# Wits Ends

## Vermentino

### Tasting Notes:

A vibrant and textural wine with apple, pear and mixed citrus fruit characters. It has a crisp line of zesty acid and mineral dry finish.

### Production Notes:

Two different types of yeasts were used to richen texture and lift aromatics. Some lees stirring aids with complexity and mouthfeel. The wine is crazy fresh and vibrant and organically made.

### About Chalk Hill (Wits End):

Chalk Hill (Chalk Hill in Australia, Wits End in USA!) is a family owned wine, organic practicing company dedicated to making small batch, hand crafted wines of distinction.

The Harvey family grape growing heritage goes back six generations and they have six vineyards spread across the McLaren Vale wine region. The vineyard was first planted in 1897 and these century old vines still bear fruit today.

It is the Harvey family commitment to make wines that reveal the unique place that is McLaren Vale, and that show their efforts from the vineyard to the bottle. Wines are only released in years that pass muster of quality and varietal integrity.

### Cellaring:

Enjoy now and over the next couple of years.

### McLaren Vale Facts:

- McLaren Vale is the birthplace of wine in South Australia.
- Vermentino is an emerging varietal in Australia. It is widely planted across the Mediterranean coast of Italy and France. It's well suited to McLaren Vale's coastal position.
