

# ALKOOMI

## Cabernet Sauvignon

### Tasting Notes:

Up front cassis flavors continue on the complex palate with rich, dark chocolate mingling with the smooth and silky tannin structure.

### Production Notes:

Nine small, separate blocks of estate grown fruit harvested over a period of two weeks were selected for this vintage. The components were matured in twenty percent new French Oak for 14 months, the result being a wine of complexity through vineyard expression and time in oak.

### About Alkoomi:

Family run and operated vineyard in Frankland River, Western Australia. The original 1220 hectare property was purchased by Sandy's grandparents, Vic and Netta Lange, in 1946 and initially operated as a mixed grain and livestock farm. It was grandma Netta who chose the name "Alkoomi" for their rugged property, on land over two million years old – a local Aboriginal word meaning "a place we chose".

### Cellaring:

Ready to enjoy now, although will gain complexity over the next five to eight years with careful cellaring.

Alkoomi's logo is the unique and distinctively Australian grass tree, *Xanthorrhoea preissii*, which flourishes on the property.

### Frankland River Facts:

- Frankland River is home to eight wineries.
- The region has a cool, Mediterranean climate and a long warm growing season.
- Frankland River's remote location makes it an outstanding region to find value-for-money high quality wines.
