

Punt Road

Cabernet Sauvignon

Tasting Notes:

Blackcurrant, blackberries and bay leaf wrapped in a supple, elegant palate.

Production Notes:

Handpicked from a single block, planted in 1987. SA125 Clone. Pumped over and plunged during cold soak and at the start of fermentation. Post ferment, the wine is pressed earlier than our neighbours. New oak is a mix of Taransaud, Saury and Bossuet. 25% new. Remaining is 2nd and 3rd use French barriques. It gets the best oak treatment of any Punt Road wine by a mile.
