

Cantina

Rojo

by Good Intentions Wine Co.

Tasting Notes:

Nutty characteristics, with notes of sour cherries with a bright finish. A beautifully light and refreshing Cabernet. Try it chilled!

Production Notes:

100% Cabernet Sauvignon
Whole berry fruit is left to sit in the press for two days. Vinified in stainless steel tanks.

About Good Intentions Wine Company:

Andrew and Louise, a husband and wife team, planted their organically managed vineyard with Andrew heading up the local viticultural association in order to try to get the region on Australia's organic winemaking map! In the meantime, they manage and source fruit from three local sites. They do not filter or fine their wines and they are all bottled on. Their aim is to produce great tasting unique wines expressing this unique terroir above anything else.

Mount Gambier Facts:

- Mt. Gambier is one of Australia's youngest volcanos - erupting less than 6000 years ago.
- Located within the Limestone Coast zone, (South-East of South Australia,) the Mount Gambier region has been established as a viticultural region since 1982.
- Extremely unique terroir consisting of lava caves, aquifers, sinkholes and lake-filled crater and ash has weathered into a well drained, highly fertile loam.
